

1/ AGRICLEAN Terms of Use

AGRICLEAN is owned by the Northern Midlands Business Association (NMBA). NMBA is not directly affiliated with the "Avdata" National Truck Wash System, or any other organisation.

The NMBA is a not for profit volunteer business association supporting programs and projects to assist businesses in the Northern Midlands of Tasmania.

By purchasing keys, registering as a customer, and using the facility, you agree as a company/business/individual/other that:

- AGRICLEAN is private property leased by NMBA which has sole rights to that property
- NMBA has no liability on the level of performance of AGRICLEAN
- NMBA makes no guarantees on the uptime of AGRICLEAN
- NMBA accepts no liability for injury, damage or any other negative result in the use of AGRICLEAN
- You take sole responsibility for respecting the facility, complying with the rules and terms which may change from time to time, and showing courtesy to other users
- NMBA has the sole right at its own discretion to ban, penalise or prosecute businesses or individuals, which in NMBA's opinion, are not complying with the terms of use

Your responsibilities in the use of AGRICLEAN include:

That you will pay AGRICLEAN invoices promptly. Your electronic AGRICLEAN key will allow you to access truck wash facilities which are part of the system, and you will receive regular invoices with itemised records of facility usage. Your account will be charged per minute for pump use and a periodic invoice is sent to your business. The current charge is \$1.20 ex GST per minute of wash time. Avdata may also have its own charges for such things as overdue account and other purposes, which are not the responsibility of NMBA and can be read in the separate National Truck Wash System terms available at avdata.com.au and elsewhere.

That you require a valid "Avdata" National Truck wash System key which you can purchase from the NMBA website for \$35 each inc GST plus handling/ postage, or \$30 inc GST plus handling/ postage for an order of 10 or more. You may already have an Avdata key and be registered with the National Truck wash System, which will also work at AGRICLEAN.

You must provide your own spray nozzle with a one-inch (25mm) female camlock fitting to attach to the wash hose.

AGRICLEAN use is only for livestock trucks and trucks with standard road dust and grime. It cannot be used as a dump site, or for heavy machinery, or discharge of chemicals, human effluent, or other industrial materials.

Users must have courtesy to other users by leaving the wash bays as soon as your wash is complete.

Users must have courtesy to the facility by taking all due care, not dumping rubbish, and cleaning after themselves. The site has extensive monitored video security and breaches of the terms of use will result in penalties ranging from cancellation of future access, additional fees, and civil or criminal prosecution.

That you will report any incident, damage, misuse or poor cleanliness or condition of the facility to one of the following AGRICLEAN representatives:

- Matthew Bennet, Maintenance Engineer, 0400 247 754
- Mike Armstrong, Operations Manager, 0417 141 046
- Gordon Williams, Executive Officer, 0402 636 769

By registering to be a customer and using the facility, you agree to these terms.

To use your key, touch it against the read head on the control panel, then press the ON button for the outlet you wish to use. Remember to press the OFF button when finished, or others may use the facility at your expense. Use your key, touch it against the read head on the control panel, then press the ON button for the outlet you wish to use.
